Brother Marty Driggers,

Words can't express my gratitude and heartfelt thanks to you, Russ, Billie and Rob for all the wonderful years we have spent together in Hartsville SC during RenoFest. As I told Russ, I'm so proud of the great success we have had just knowing how much we have done with our festival and how much was done for us.

The press release was wonderful and thanks again for putting the touch of caring and love that was shown to us along with the honor to our Dad and his music into words. Marty, I always felt the family name was in good company with you, Russ, Rob and Billie and you had our backs every year. I believe the four of you always gave more than I did to make us successful and I couldn't be more proud of the festival. I believe we can hold our heads high and congrats to all that was involved with this wonderful event that was held for 20 years in Hartsville SC.

I also want to personally thank you and the great people of Hartsville for our long run and I want you to know it is one of the highlights of my career.

Thanks again my friend and hope to see you sometime in the near future. I will always be thinking in March about our friends and our wonderful times at RenoFest.

May God Bless you and the family of RenoFest.

Best  
Ronnie
